

We have teamed up with the Sun Valley Lodge for the 2012 Annual Meeting. In over 20 years, we are excited to return to the Sun Valley, full of beauty and recreation for the whole family. We have joined forces with the Sun Valley Lodge to make this a nourishing, yet educational conference. The Sun Valley Lodge, built in 1936, was constructed from the ground up with every amenity an outdoor enthusiast could possibly imagine. The 148-room-hotel is a complete luxury hotel with an adjoining glass enclosed outdoor pool and Sun Valley's famous outdoor ice rink and Terrace. Inside guests enjoy Gretchen's Restaurant, the elegant Lodge Dining Room, the Duchin Lounge named for Eddie Duchin, Beauty Salon, Spa and Exercise Room - and for kids of all ages a bowling alley (six lanes) and game room. A Gift Shop and concierge are located in the Lobby.

Since Sun Valley is a world-renowned destination, the Idaho Academy of Nutrition and Dietetics has negotiated a reduced rate of \$90/night plus 11% tax. Rates will be honored three days prior and three days following the annual meeting and based on availability.
