

## REGISTRATION & ENROLLMENT INSTRUCTIONS

### Step 1: Create User Account

From the University of Idaho, School of Health and Medical Professions Office of Continuing Education home page (<https://cme.shamp.uidaho.edu/>), click on **Create account** in the top right corner:

This will take you to the "Create New Account" screen. Fill out all of the required fields and select the **Create new account** button at the bottom of the page.

For more information, please see these [instructions](#).

### Step 2: Select the COBRE in Nutrition and Women's Health Spring Seminar sessions you would like to register for:

- Use this [link](#) or go to the **Programs>COBRE in Nutrition and Women's Health Spring Seminar Series** in the University of Idaho, SHAMP Office of Continuing Education learning management system.
- Scroll down to see a list of topics with dates/times.
- Click title of the COBRE in Nutrition and Women's Health topic to enroll in a session.
- Click on **Take course** on the bottom of each session page.
- **You will need to do this for each topic you wish to enroll in prior to the start time of the session.**
