REGISTERED DIETITIAN

PRN / STAFF RELIEF • POCATELLO, IDAHO

Flexible scheduling. Diverse clinical experience. Meaningful patient care.

Sodexo is seeking a Registered Dietitian to join the Clinical Nutrition team at Portneuf Medical Center, a 180-bed acute care hospital. This staff relief role supports our core dietitians during scheduled time off, weekend rotations, and other coverage needs.

SCHEDULE & OPPORTUNITY

- Approximately 8–21 hours per week may be available, depending on staffing needs and individual availability; hours are variable and not guaranteed.
- Weekday and weekend coverage opportunities, including possible recurring Friday shifts. Weekend availability is especially helpful.
- Welcoming to new graduates and experienced RDs; individualized training, team support, and opportunities to expand clinical skills.
- Annual reimbursement for eligible professional dues, in accordance with Sodexo policy. PRN positions are not benefits-eligible.

WHAT YOU'LL DO

- Assess nutritional needs; develop, implement, and monitor individualized medical nutrition therapy plans.
- Care for patients in Critical Care, Progressive Care, Medical/Surgical, Rehabilitation, Orthopedics, Behavioral Health, OB/Labor & Delivery, Pediatrics, and NICU.
- Actively participate in interdisciplinary rounds and collaborate with physicians, nursing, and other care team members.
- Educate patients and families; document nutrition care in Epic.

WHAT WE'RE LOOKING FOR

- Registered Dietitian credential through CDR and Idaho licensure or eligibility.
- Dependable, collaborative, organized, and committed to patient-centered care.
- Eager to learn, receptive to feedback, and willing to develop skills for complex clinical cases. Prior acute care experience is not required.

COMPENSATION

Starting at $27.00/hour

Higher starting rates depend on experience, qualifications, and Sodexo clinical ladder placement.
